SGSITS ALUMNI FUNCTION - 2011

Invitation

Dear Fellow Engineer,

It is a matter of great pride and immense pleasure that this year is the 10th consecutive year, we are going to celebrate SGSITS DAY, since we started this tradition from the Golden Jubilee Year in year 2002.

In all these years we have witnessed continuously increasing enthusiasm among the alumni to gather in the Institute to meet their batch-mates and teachers... refresh their memories... and re-charge the spirit to do something good for our alma mater.

Keeping in view the above, it was felt that instead of limiting the SGSITS DAY celebration to only one day, it should be spread in terms of number of days and the activities, particularly including the activities for our student members, who are now more than 1500 in number.

Accordingly, this year we will have three days celebration as SGSITS ALUMNI FUNCTION as scheduled below. We hereby invite all alumni to participate in all these activities and programmes.
